FROM THE PRINCIPAL
Positive Behaviour for Learning Reward:
Congratulations to all of the students who have been working hard on gaining PBL tickets. The students were successful in filling another reward box and will have an obstacle course set up at lunchtime. Last week the students were also lucky enough to be able to swap seats as another reward. Keep up the great work and I really enjoy Monday morning assemblies to see how many tickets have been collected.

Spice Team:
On Friday we will be having a visit from the Spice team (Specialist Integrated Community Engagement). The team this week will consist of several speech pathologist students who will be on speech activities. Next week we will be having a visit from other students who will be completing other activities which will be very exciting. Mrs O’Donnell and myself attended a meeting today regarding this project and we are looking forward to having the team in our school.

Work Experience student:
This week we have Taneisha who is a past Middleton PS student in our school on work experience from Parkes High School. Taneisha will be working with several classes and teachers during her time. We are sure that she will have a great week at Middleton Public School.

Late Arrivals:
There are a number of students who are arriving at school after the bell has been rung in the morning. If students are arriving late they are missing out on instructions which have been given out by class teachers and it is an interruption to the learning time. Students who arrive late are also marked as a partial absence and if there is a number of these absences or a consistent pattern, these absences may be referred to the Home School Liaison Officer for discussion. It would be appreciated if all students could be at school before the morning bell is rung. Thank you for your assistance with this matter.

Ethan is always kind and greets people in a friendly and genuine manner. He is a lovely role model within our school. It is hard to single out one example of positive behaviour for Ethan, as he is Respectful, Responsible and has a Positive Attitude at all times. Keep it up Ethan - we are proud of you!
